BESEDE ZA KONEC

Leto 2020 je bilo posebno leto. Naša realnost, realnost, ki smo jo poznali in živeli, se je (brez opozorila in predhodnega naznanila) predručala in od nas zahtevala prilagoditve ter iskanje novih poti. V naš vsakdanjik so se naselili novi problemi, a tudi novi pristopi in nove ideje. Nastopil je čas, ki je (hkrati z živce parajočimi omejitvami) odprl tudi možnosti za nova ustvarjanja.

Naključje je hotelo, da se je ideja mednarodnega fotografskega natečaja Abstract porodila in doživela svojo premierno upodobitev prav v letu, ki se je že samo po sebi zdelo precej abstraktno. In ker se t. i. »nova realnost« tudi z letom 2021 ni končala, smo nadaljevali tudi mi. Pred nami so rezultati drugega mednarodnega natečaja Abstract 2021. O vrednosti prispelih del ne bom sodila, o tem je svoje povedala že žirija.

V imenu organizacijskega odbora zato izrabljam priložnost za zahvalo vsem sodelujočim avtorjem in predvsem vsem ožjim sodelavcem projekta Abstract, saj brez vas naša ideja ne bi zaživela in živila. Hvala vsem, ki ste se med letom udeleževali naših, predvsem spletnih izobraževanj, s katerimi smo želeli abstraktno fotografijo približati in strokovno predstaviti širšemu krogu ljubiteljskih fotografov. Iskrene čestitke vsem nagrajenim avtorjem ter toplo povabilo k sodelovanju na tretjem mednarodnem natečaju Abstract.

Naj vas abstraktnost vsakdanjika, pospremljena s sijem ugodne svetlobe, navdihuje in spodbuja k ustvarjanju do ponovnega snidenja ob letu osorej.

Petra Ravnihar,
vodja OI JSKD Jesenice

TO CONCLUDE

2020 was a special year indeed. Our reality, as we used to know it and lived it, changed (with no warning in advance) and made us adjust and find new ways to doing things. New problems unexpectedly entered our daily lives, but at the same time there were new approaches and new ideas. It was the time that created (including nerve-wrecking limitations) possibilities for new creative ways.

It was a coincidence that helped the idea of the »Abstract« International Photographic Competition come up and première in the year which was sort of abstract by itself. Since the so-called »new reality« hasn't ended, we decided to continue the story in 2021, too. We are now admiring the results of the second chapter of the competition, the »Abstract 2021«. I shall not judge the value of the photographs received, the jury has done its job excellently.

Let me use the opportunity to thank each of the contestants and co-workers in the Abstract project in the name of the organizing committee. Without you our idea wouldn't have blossomed and lasted. Thanks to everyone who attended our (mostly) online courses that aimed to present and popularize abstract photography to the largest circle of amateur photographers. Congratulations to all the prize winners, authors of excellent photographs. Hereby I would like to invite you all to participate in the third chapter of the »Abstract« International Photographic Competition next year.

Let the abstractness of our daily lives, accompanied by the right light, be your inspiration and motivation for new photographic creations until we meet again next year.

District Head of Jesenice JSKD branch office
